MINUTES

CITY OF MINERAL POINT ORDINANCE & CLAIMS COMMITTEE MEETING
Monday, April 27, 2026 6:00 PM
City Hall Community Room

1. Call to Order, Roll Call, and Confirmation of Compliance with the Open Meetings Law.

   Chair Weier called the meeting to order at 6:00pm. Confirmation of compliance provided and roll call taken.

Jared Weier, Chair	Present
Chuck Allendorf	Present
Alex Ramshur	Present
Others Present: Clerk-Treasurer Christy Skelding, Administrator Matt Honer, Police Chief Bob Weier, Tom McGuire, Mary Glindinning, Mo May-Grimm	

APPROVAL OF OCTOBER 7, 2025 MINUTES

Motion (Allendorf/Ramshur) to approve October 7, 2025 minutes. Motion carried, all voting aye (3-0).

DISCUSSION AND POSSIBLE CONSIDERATION OF OUTDOOR CAT REGULATION.

Alder Ramshur requested this agenda item following concerns brought to his attention regarding the lack of regulations for outdoor cats within the City.

Mo May-Grimm was in attendance and expressed concerns regarding outdoor cats in her neighborhood. She noted that several neighboring properties have outdoor cats and emphasized the importance of responsible pet ownership. She also referenced the efforts of a local nonprofit organization that provides spay and neuter services and expressed concern about the potential for a feral cat population.

May-Grimm noted that dogs are required to be licensed within the City and suggested that similar requirements be established for cats, including licensing and verification of rabies vaccinations.

Alder Ramshur presented several potential ordinance provisions for consideration, including licensing and vaccination requirements, leash requirements, restrictions on animals running at large, nuisance complaints, and trespassing. Potential enforcement measures discussed included fines, impoundment, and limitations on the number of cats permitted per household.

Committee members discussed the feasibility and challenges associated with implementing such regulations. Alder Allendorf expressed concerns regarding enforcement, particularly the requirement for licensed cats to wear identification tags and the limited availability of animal shelters willing to accept impounded cats.

Allendorf requested that Ramshur contact the Humane Society or other area shelters to gather information regarding potential contractual arrangements, associated fees, trapping responsibilities, and required holding periods.

Ramshur will gather additional information and report back at the next meeting. Administrator Honer and Chief Weier will further review the City's potential responsibilities related to enforcement and impoundment.

The Committee expressed general support for exploring an ordinance establishing cat licensing requirements.

No action taken.

DISCUSSION AND POSSIBLE CONSIDERATION OF THE REGULATION OF ELECTRIC MOTOR BICYCLES, SCOOTERS, ETC. AND REVISING THE FORFEITURE SCHEDULE FOR BICYCLE USE VIOLATIONS.

Chief Weier discussed the increasing use of electric bicycles and scooters within the City, particularly among younger residents. He explained that, under state law, electric bicycles and scooters are generally subject to the same regulations as traditional bicycles. Currently, bicycle use on sidewalks is prohibited only within the designated business district along High Street.

Chief Weier noted that many children operate electric bicycles and scooters on sidewalks, which can provide a safer alternative to riding in the street. He indicated that the Police Department has not received significant complaints regarding their use on sidewalks. Rather, most complaints involve unsafe operation on roadways and failure to comply with traffic laws.

Chief Weier discussed potential revisions to the City's existing ordinance. He noted that bicycles are currently prohibited on sidewalks along High Street from Wayne's Amoco to Commerce Street. He recommended considering an amendment that would allow bicycle use on sidewalks in the 300 block of High Street while maintaining restrictions between Wisconsin Street and Commerce Street. He also raised the question of whether Commerce Street should be included within the designated business district for purposes of bicycle regulations.

Administrator Honer expressed concerns regarding pedestrian safety, particularly with electric bicycles capable of traveling up to 25 mph sharing sidewalks with pedestrians. It was noted that Commerce Street currently has no sidewalk restrictions for bicycles, allowing children and other riders to use the sidewalks in that area.

The Committee discussed the need to balance pedestrian safety with providing safe routes for bicycle and scooter users, particularly younger riders.

The Committee also discussed amending Section 72.001(B) of the City Code to replace references to skateboarding, roller skating, and rollerblading with the term "play vehicle," as defined in Wisconsin Statutes Section 340.01(43m).

Chief Weier reviewed the City's current forfeiture schedule for bicycle violations. Currently, the forfeiture for riding a bicycle on a prohibited sidewalk is $10, while other bicycle violations, including failure to follow traffic laws, are subject to the default forfeiture of $150 plus costs. He explained that individuals ages 11 and 12 are subject to a $10 penalty, while individuals age 13 and older are subject to

DRAFT

the higher forfeiture amount. He noted that this can result in a bicycle violation carrying a greater penalty than a comparable motor vehicle violation.

Chief Weier recommended establishing a uniform forfeiture of $150.10, including $10 in court costs, for violations under the City's bicycle ordinance to provide consistency with state regulations. The Committee expressed support for the proposed revision.

Administrator Honer will draft the proposed ordinance amendments reflecting the Committee's recommendations and bring them back for review and approval at a future meeting.

DISCUSSION AND POSSIBLE CONSIDERATION OF THE REGULATION OF MOBILE FOOD AND BEVERAGE VENDORS.

Administrator Honer stated that, at a recent Common Council meeting, a resident inquired whether the City would consider regulating mobile food and beverage vendors. He explained that vendors operating on City streets are currently required to obtain a special event permit at no charge. This process provides accountability and protects the City from liability associated with vendors operating on City property.

Alder Ramshur noted that the Mayor had previously expressed concerns regarding the limited availability of food options after 5:00 p.m. Chief Weier added that mobile food vendors provide additional dining options for residents and visitors.

Committee members expressed a desire to avoid creating unnecessary regulations or barriers for businesses operating within the City. Alder Allendorf suggested considering enforcement provisions that would allow the City to issue fines to vendors who fail to obtain the required special event permit.

Following discussion, the Committee did not recommend any changes to the current regulations.

No action taken.

DISCUSSION AND CONSIDERATION OF LEAD SERVICE LINE ORDINANCE.

Administrator Honer reviewed the proposed Lead Service Line Ordinance and noted that the only additional provision recommended by Attorney Hagen would require the replacement of a lead service line whenever repairs to the line are necessary.

The Committee discussed the proposed addition and agreed that requiring replacement at the time of repair was an appropriate provision to include in the ordinance.

Motion (Allendorf/Weier) to recommend Council approval of the amended Lead Service Line Ordinance as presented. Motion carried, all voting aye (3-0).

DISCUSSION AND CONSIDERATION OF TITLE III AND V OF THE CITY OF MINERAL POINT ORDINANCES.

Honer reported that City staff reviewed Titles III and V of the City Code and incorporated all amendments adopted since the last recodification. The updated ordinances were forwarded to Attorney Hagen for review.

Title III: The Committee reviewed several provisions, including the language regarding the City Administrator and closed sessions, which will remain unchanged. On page 13, Honer recommended

DRAFT

removing the qualifications listed for members of the Zoning Board of Appeals. The Committee agreed with the recommendation. It was also noted that references to the Landmark Board had been updated to reflect the Historic Preservation Commission (HPC).

Title V: The Committee reviewed the proposed revisions, including the updated brush and yard waste policies incorporated on page 8.

Discussion was held regarding the requirement on page 42 that properties located within 100 feet of a sewer line must connect to the municipal sewer system. Committee members discussed whether the distance requirement should be increased or the language revised. Alder Allendorf suggested reconsidering the wording, while Honer noted that the existing 100-foot requirement has generally worked well for the City. The Committee recommended retaining the current requirement unless Water and Sewer Superintendent Fosbinder identifies concerns or recommends a change.

The Committee also discussed the provision on page 48 stating that no fee shall be charged for a discharge permit or application. Honer explained that commercial properties are currently subject to periodic cross-connection inspections, generally every two to three years, to identify potential sources of contamination within the municipal system. Honer questioned the need to establish a permit fee at this time. Alders Allendorf and Ramshur expressed support for implementing a fee. Honer will consult with Attorney Hagen regarding appropriate ordinance language and potential fee amounts.

Additionally, the Committee discussed removing sewer connection charges from the ordinance and incorporating them into the City's fee schedule. This would provide greater flexibility to adjust fees in the future without requiring an ordinance amendment.

No action taken.

ADJOURN

Motion (Ramshur/Allendorf) to adjourn at 7:33 pm. Motion carried, all voting aye (3-0).

DRAFT

ORDINANCE NO. 2026-07

AN ORDINANCE AMENDING CHAPTER 73, SCHEDULE II OF THE MUNICIPAL CODE OF THE CITY OF MINERAL POINT, IOWA COUNTY, WISCONSIN REGARDING THE LOCATION OF STOP SIGNS IN THE CITY OF MINERAL POINT

~~Chapter 182~~

GOLF CARTS

~~[HISTORY: Adopted by the Village Board of the Village of Spring Green 12-17-2025 as Ch. 182 of the Village Code. Amendments noted where applicable.]~~

~~§ 182-1.~~ § 182-1. Definitions.

As used in this chapter, the following terms shall have the meaning indicated:

GOLF CART – A vehicle whose speed is attainable in one mile, does not exceed 25 miles per hour on a paved, level surface, and that was designed and originally intended to convey one or more persons and equipment to play the game of golf in an area designated as a golf course. State law reference: § 23.33(1)(fm), Wis. Stats.

§ 182-2. Golf Carts Regulated.

A. Travel by golf carts shall be permitted on all ~~Village~~ City streets and alleys, except ~~STH 23 (Winsted Street).~~ Commerce St. from Doty St. to Ridge St.

B. Crossing of STH ~~23~~ 39 and 23 shall be permitted at any intersection when in compliance with subsection ~~182-2~~.

C. No person shall operate a golf cart on any sidewalk or pedestrian way within the ~~Village~~ City.

D. No person shall operate a golf cart on any private property not owned or controlled by them within the ~~Village~~ City without the express consent or permission of the owner.

E. When operating a golf cart on ~~Village~~ City streets and alleyways, the operator shall use the far right-hand side of the roadway; whenever possible, yield to all other motor vehicle traffic; and obey all other motor vehicle laws, as provided in the Wisconsin Motor Vehicle Laws, Statutes, Chapter 346, Rules of the Road.

F. Golf carts may be operated only on public property in compliance with subsection ~~182-2,~~ by a properly licensed driver, as provided under Chapter 343 of the Wisconsin Motor Vehicle Laws.

G. Travel by golf carts shall not be permitted during the hours between sunset and sunrise.

H. Occupancy on a golf cart is restricted to the number of seats available. A standard golf cart has a single bench for two people.

I. Golf carts must display a slow-moving vehicle emblem as required by Wis. Stat. 347.245(1).

§ 182-3. Violations and penalties.

Violation of this chapter shall be subject to a forfeiture of not less than $20 nor more than $300 together with costs and assessments as prescribed by law.
